Hello, I left the site on Saturday evening and TCEQ is managing the remainder of the cleanup. You can read my Polrep on the epaosc website which is in draft phase to see what we did. Feel free to call me on my cell below if you need anything-

Hi Nick, are you working on the DrillChem fire that was in Conroe last week? I have a reporter with Houston Chron that would like an update on the site. Can we talk with the reporter?
